

Puppets with a Purpose: Traveling Skits That Teach and Inspire Young Learners

Looking for an engaging and age-appropriate way to reinforce key lessons in **social-emotional learning**, friendship, empathy, and classroom behavior?

At The Outlet, Inc. proudly presents **emPOWERed Puppets**—a traveling puppetry team led by K-12 students from **ATO Academy** as part of our **2025–2026 Community Service Project Initiative**. These interactive, student-led skits are thoughtfully written and performed to connect with early childhood and primary students in a fun and meaningful way.

Performances support vital developmental themes including:

- Social skills and inclusion
- Anti-bullying and emotional awareness
- Kindness, cooperation, and classroom behavior

We also specialize in **custom skits** to align with your specific:

- Classroom Lesson Plans/Student Behavioral Needs
- Unit theme or classroom objective
- Seasonal celebration or holiday
- School-wide campaign or event

Whether you're a center director, public school administrator, classroom teacher, or program coordinator, our puppetry team offers a fresh, student-powered way to bring stories and life lessons to your learners.
